About Advait Energy Transitions Ltd

Advait Energy Transitions Limited (AETL), formerly Advait Infratech Limited, is a publicly listed energy transition and infrastructure powerhouse headquartered in Ahmedabad, Gujarat. Established in 2010, the company has delivered an uncompromising track record of performance—executing 450+ critical power transmission, substation and telecom infrastructure projects across 45+ countries, including some of the most demanding operating environments in the world.

Since its strategic rebranding in July 2023, AETL has aggressively expanded beyond conventional infrastructure into the core of India’s clean energy transformation. Today, the company operates across renewable energy, advanced battery storage, green hydrogen technologies and next-generation grid solutions—backed by robust in-house manufacturing, engineering excellence and full-scale EPC capabilities.

AETL stands as a decisive enabler of future-ready, resilient, and sustainable energy systems—working to power industries, utilities, and nations with reliability and uncompromising execution.
