About Advait Energy Transitions Ltd:

Since 2010, Advait Energy Transitions Ltd has been at the forefront of delivering robust products and solutions tailored for power transmission, substation, and telecommunication infrastructure. The operations span across verticals including turnkey telecommunication projects, installation of power transmission and substation equipment, liaising, marketing, and providing end-to-end solutions. Advait proudly engages in the manufacturing and supply of essential power transmission products such as stringing tools, OPGW, OFC cables, ACS, ERS, and OPGW joint boxes. The commitment to innovation has led the company to diversify into green energy, marking their entrance into the supply of electrolyzers and fuel cells.
